SENIOR CLASS FLOAT

Super Mariner Man

The senior class pulled together to create this year's float. Using the movie theme, the seniors came up with the title of "Super Mariner Man." The seniors found that working on their class float can be a fun experience. Everybody worked hard to make this the best float ever.

TOP: The finished "Super Mariner Man." MIDDLE LEFT: Andy Cottrell puts all of his attention on the making of the float. MIDDLE RIGHT: Working on the senior class float is Chris Simons. BOTTOM LEFT: Danielle Roulo concentrates on finishing the float. BOTTOM MIDDLE: Helping to make this float the best is Kristen Horvath. BOTTOM RIGHT: Ken Smith shows that working on the class float can be a fun experience. FAR RIGHT: Mrs. Burman helps Libby Beck work on the senior float.

JUNIORS COME OUT #1!

This year the juniors took first place in the float building contest for Homecoming. Many juniors put in lots of hard work and a lot of time to build a winning float. It could not have been done if everyone did not work together.

Mrs. Biebuyck was the class advisor for the juniors this year. Her help and support was much appreciated. Next year they'll try for another win.

HOMECOMING COURT 1992

There are many events that will be remembered about being a student at M.C.H.S. and being a part of the homecoming court could be a memory that will last forever. These students are chosen by fellow classmates to represent their class.

The selection of the 1992 homecoming court was a great success along with the pep assembly and also the Homecoming Dance.

Sophomore Float

One of the main attractions of homecoming are the freshman, sophomore, junior, and senior floats. This year's sophomore float idea for the float was Field of Dreams. With a lot of hard work and determination the sophomores end result was a great float and a third prize win.

Hopefully next year the sophomore class will do as well as they did this year.

FRESHMAN FLOAT

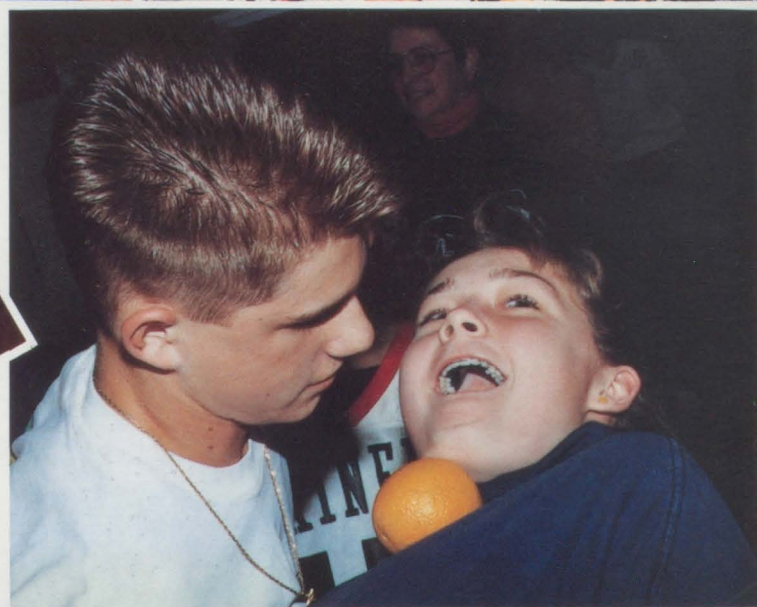

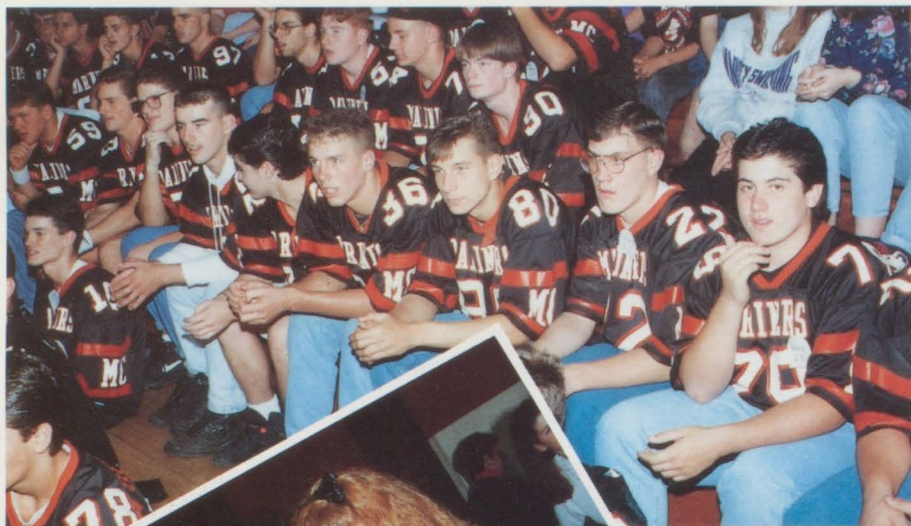

This year's freshman class did an excellent job of working together to build a great float for Homecoming. "Necessary Roughness" was the title, and it consisted of the Mariners crushing a poor Imlay City football player. Even though the float took 4th place, it still showed great promise for the class of 1996. Good job Freshmen!

Top Row Left to Right: The football team waits in suspense to see who will win. Tim Golm and Danette Wuestenberg, chosen partners for the pie eating contest. Middle Row Left to Right: Virginia VanTiem is careful not to drop the hula hoop. Jessica Ikera passes the orange on to David Buckley. Bottom Row: Seniors in the tug-of-war. Uuugh!

OUR MIGHT

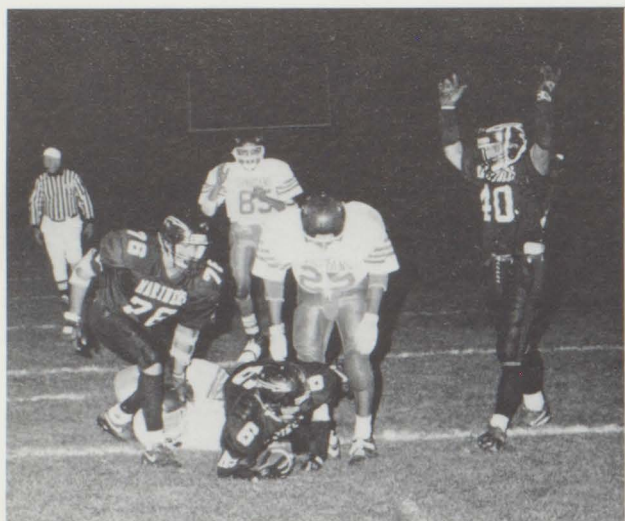

The 1992 Homecoming pep assembly was a complete success. All students, from the freshmen to the seniors, showed that they had the Mariner spirit. From the court to the games each event added a special effect to the assembly.

The Homecoming court sat impatiently while the other students participated in the activities. The games, which included the orange pass, pie eating, tug-of-war, and a few others, entertained the wild crowd. The seniors were the winners of the pep assembly but the final score was to be determined later on. The Homecoming pep assembly pumped everyone up and got them ready for the other exciting events that were yet to come.

Top Row Left to Right: Renee Bobruk poses as the helpless scarecrow. Duane Smith is on the move to get another win for the seniors. Bottom Row Left to Right: Matt Boyd the winner of the pie eating contest. Juniors pull with all their might.

HOMECOMING GAME

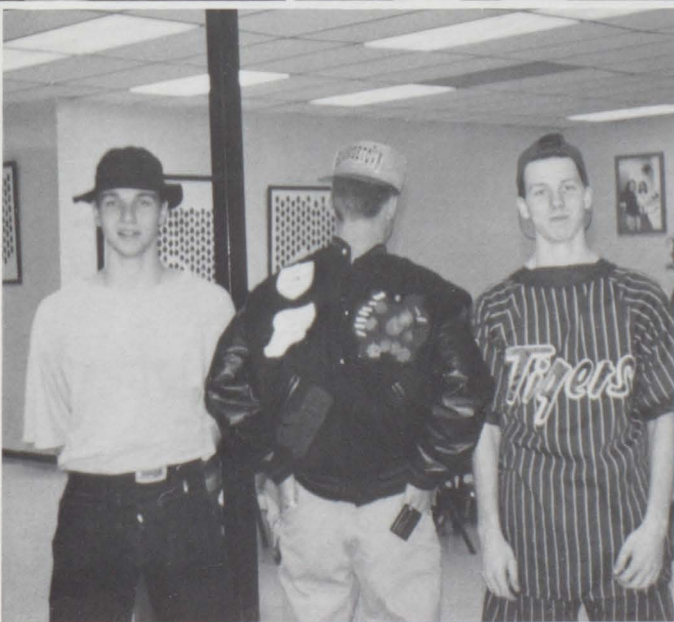

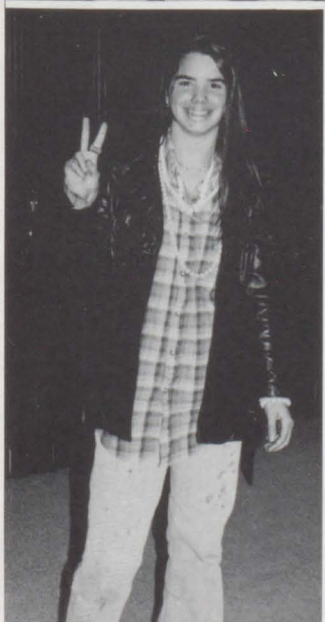

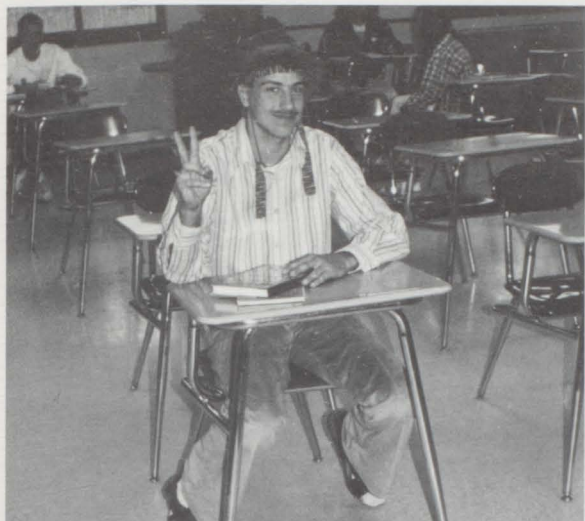

The 1992 Homecoming Game was a fun time for everyone. Despite the loss, the nice weather, and air filled with spirit lifted things a little bit. Students of all ages attended as well as parents and citizens. Cheerleaders worked hard to decorate the field. It was definitely memorable.

Top Left: Ryan Dunn throws up his arms because of the tackle. Top Middle: Coach Staskiewicz listens in on the referees conversation. Right: Andy Koch plays to the beat. Middle: The team works together. Bottom Middle: The band performs at halftime. Bottom: The cheerleaders show their stuff.

SPIRIT WEEK

You guessed it ... Crazy! It's the tradition of picking out silly days, dressing up, and competing among classes. The week included Pajama Day, Hippie Day, Class Color/Senior Toga Day, Kriss Kross Day, and Orange and Black Day. This year's Spirit Week was dominated by the Seniors, who took first every day of the week.

Top Left: Love those bell-bottoms Tim Golm! Top Right: It's back to ancient Rome for the Senior Class on Toga Day. Middle Left: Caught in a time warp are Brant Finley, Amy Westrick, and Holly Wrubel. Middle: Modeling the latest backwards fashions is Dana Jobin. Middle Right: It's "Super Mariners" Jodie Feriby and Tracy Cohrs. Bottom Left: Wishing everybody "peace" is Tonya Horner. Bottom Right: Scott Atherton, Steve Maye, and Andy Konik are just as backwards as ever!

C'MON MOVE THIS

Whenever Homecoming approaches everyone gets excited. There's the big game, the pep assembly, window painting, float building, but most of all the Homecoming Dance! For some it's their first, others their last. Most of all it's a chance for friends to come together and have a great time. The air is full of excitement, friendship, and maybe even romance. The memory of this Homecoming will be alive for a long time.

POWDER PUFF '92

This year's Junior and Senior powder puff game was full of fun and excitement. It gave the girls a chance to experience the sport of football. They proved that this sport isn't just for boys anymore, girls can do it just as good. The Juniors took the lead in the first quarter, but the seniors pulled together to take the victory with a score of 18-14. The class of '93 is undefeated, they won last year as Juniors breaking the tradition of "Seniors always win." Powder puff is a new game designed so the girls can get rough and tough and also show their spirit.

DO YOU REMEMBER?

So many things happen and change in one year. Trends and styles change, new movies and songs come out, along with bands and television shows. So many new things come and go it is hard to remember it all, but when you look back in 10, 20 years, maybe even tomorrow you'll remember some of the popular events of 1993! Seniors have their own special memories and these are just a few things that might bring them back. Your favorite song or maybe the one you hated. The movie you saw on that great date or maybe the worst date ever. Whatever it may be, you'll be sure to remember this year in your life!

Prom '92 was an exciting event for everyone who attended. The list of things to do before the big night seems endless. Nevertheless, everything seems to get done. Feelings of happiness, friendship, and love filled the hall. It was a memorable night for Robyn Humes and Mike Simek, chosen to be Prom Queen and King by their classmates. Lots of mingling and dancing went on throughout the night. It was a great time for everyone.

WORKING FOR

For many students at MCHS a job seems like the end of the world. Trying to squeeze in enough time to go to school, finish their homework and participate in extracurricular activities many find it hard to have a job. Out of all the students that work many can't wait for the weekend to spend all their hard earned cash. Having a job is a good way of taking on responsibility and learning how to live in the real world.

LOCKERS

Lockers are a big thing in Marine City High School. Everybody decorates their lockers with pictures of friends, their favorite cars, styles, or for their seniors, their trip to Aca-pulco. Jamie Flam-mer (bottom left) gets all in to it, you can tell she's a party animal.

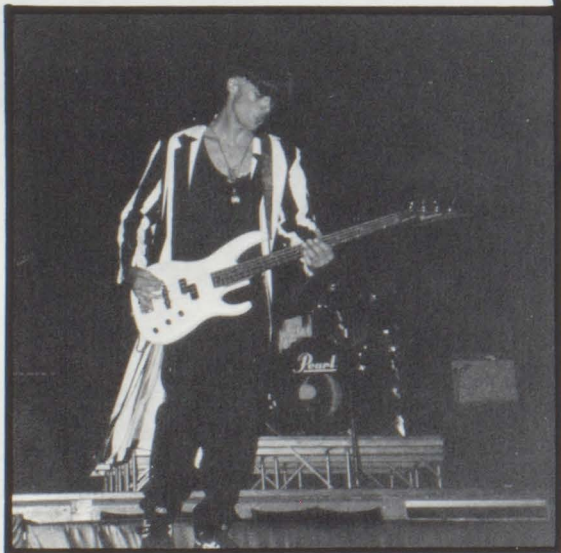

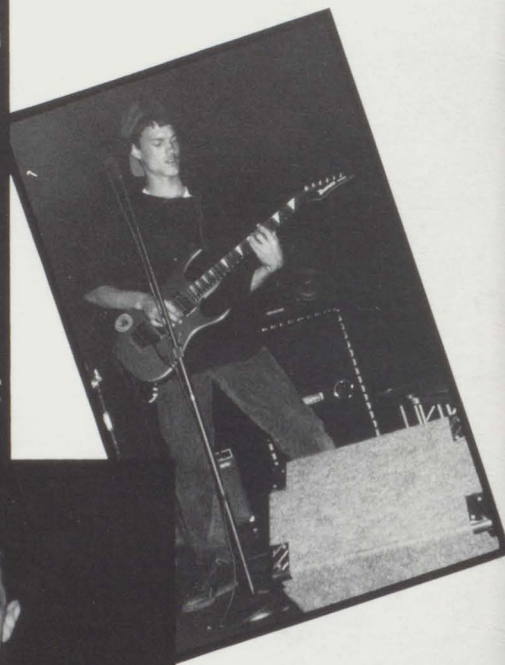

FASHION

"Fashion." we got the look wearing Polo, Girbaud, Bum, Gap, Aeropostale, Cross-Colours, Nautica, Esprit, I.O.U., Limited, and many more. This year Marine City High School was Stylin and Profilin.

CONCERT

On October 6, 1992 at 7:00 P.M. in the Marine City High School gym, the rockin' and rollin' of two bands (Debonair and Slyboy Groove) played a two hour concert. The night was filled with a little bit of everything from John C. Mellencamp to Pearl Jam. Everyone there had a great time. The Yearbook staff would like to thank both bands for helping by devoting their time to help raise money for our yearbook. THANKS!!! DEBONAIR — Dan Micoff, Darrick Edgerton, Melanie Perritt, Dion Turner. SLYBOY GROOVE — Steve Marvic-sin, Jeff Gutt, Matt Vandekerckhove, Eric Kammer, Nathinel Green.

AUTOMOBILES

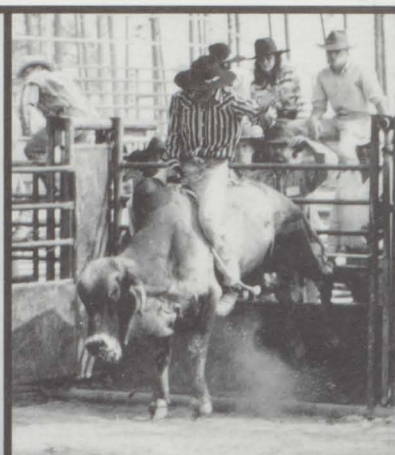

Like the students at Marine City, the vehicles they drive are as varied as their personalities. In the car lots, you will find everything from orange-bondo machines to three quarter ton diesel trucks. The student body drove so many cars in the spring, that the unlucky students who arrived late to school, had to park either down by the old football field or on Ward Street, creating chaos during lunch hour and after school.

Clockwise — top left: The Senior Lot begins to fill up early in the morning. Dave Meyers asks, "Isn't she a beauty?" Jayson Zech, Rich Jaronoski, and Mike Schmidt park their trucks proudly. Melanie Harris parks early in the morning to get the best spot. Mike Turke cleans his Monte Carlo every morning before school. Christy Boyle tries to sell another brand new car. Dana Tomaszycy and Marie Simons chat during lunch on Dana's car.

H O B B I E S

There are many events that the students at Marine City High School participate in other than school-related activities. Water sports, BMX Racing, Four-wheeling and Playing in Bands are just a few of the things that these students like to do. Some of these events are for fun and enjoyment, while others compete against one another to win prizes, trophies, etc. But most importantly, these students are making the most of the few years that they spend as High School students.

NATIONAL HONOR SOCIETY

It is a great achievement to be recognized as a National Honor Society member. It means you have kept your grade point average at a 3.3 or higher for every quarter and have been active in extra-curricular activities at the same time.

There's a lot of stress that goes along with trying to balance responsibilities, but this year's NHS members have worked hard to get by and they've ended up coming out on top.

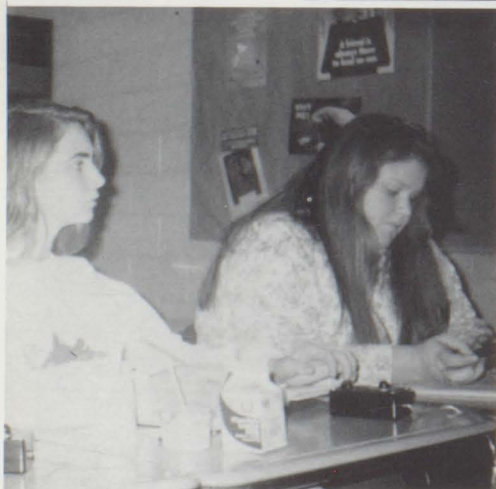

USING OUR HEADS

Quiz Bowl

The 1992-1993 Quiz Bowl team seems to have all the answers. Their lunch hour practices are really paying off as the Quiz Bowl heads for an exciting season. The Quiz Bowl competes in matches that consist of three ten minute periods in which they are asked a wide variety of questions. Preparation and coaching for these matches are supervised by Mr. Homberg and Mrs. Christy who have helped this year's Quiz Bowl to achieve greatness.

International Friends

Exchange Students

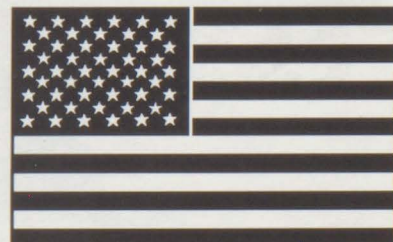

As foreign exchange students for 1992/93 we would all like to take this opportunity to thank our new friends, our families, our class mates, and the staff in Marine City High School for making our year possible and for helping to make it a success.

Spending a year in a new country, 4,000 miles from home was a valuable experience for all of us. We all came to the U.S. to experience the American culture and learn new traditions.

In both Europe and South America, the education systems are geared much more towards academic subjects, so we were all very surprised by the number of extra-curricular activities, and wide range of sports classes offered by North American Schools.

THE LEADERS OF

The Senior Class Officers

This year's Senior Class Officers are: President John Orchard, Vice President Kristen Horvath, Secretary Tracy Dietlin, and Treasurer Ryan Dunn. The senior class officers are responsible for the process of getting the first annual winter festival together. They are also making plans for graduation with the help from the senior class advisors Mr. Cavis and Mrs. Burman.

The Freshman Class Officers

The 1993 Freshman Class Officers: President Matt Biscorner, Vice President Jeremy Manion, Secretary Lisa Mayhew, and Treasurer Monica Acre. Also did a good job organizing their first homecoming float ever. Without the help from Mrs. Bell they would have never been able to pull it off.

THE PHANTOM OF THE OP'RY

Drama

The Phantom of The Op'ry was a great presentation full of laughs. The crew did a wonderful job at putting on a tremendous play. It was flawless and perfect to a "T." The musical directors were; Melanie Perrit and Joe Dornoff. The wonderful lady responsible for this play was Sharon Choate (Director). The set and hall decorations were done by the cast, Gerry Ferriby, Cher Desnyder, and Sue Terhune. The props were accomplished by Cindy Miller and crew. Everyone did a wonderful job, The Phantom of The Op'ry was another great play performed at Marine City High School.

Saving The Environment

The Environmental Club

The Environmental Club is a new club formed to increase the student body's awareness and involvement in recycling, restoration projects, nature observing, and community service.

Last semester the environmental club, in association with Detroit Edison, planted 300 pine trees at the entrance to the Belle River power plant.

This semester the new club members took part in a canoeing trip as an introduction to nature, and also took over the responsibility of recycling the school's waste paper.

The club officers are: J. Kammer, C. Blair, B. Folske, S. Hoover, M. Ladensack

Top row: Mr. Dimmer, C. Karl, G. Heath, A. Forest, L. Gold, C. Blair, M. Cataldi, J. Cvengros, H. Esders, 2nd row: S. Hoover, D. Vanhoey, L. Fabian, K. Buchanan, J. Kammer, B. Folske, K. Horvath, 3rd row: B. Gohl, S. Atherton, J. Johnson, M. Ladensack, J. Ikera

The student government is a great learning experience. To be a part of it means you have a lot of responsibility. You also have the opportunity to make things happen for your school. The organization has a lot of things throughout the year like help organize homecoming, sponsor two blood drives, and giving donations to various charities. They also have recently been sending representatives from our school to the S.C.A.L. Student Government. The representatives for this year are Chelle DeSnyder, Stephanie Zweng, Diane Dupre, Patricia Morehead, and Jenny Bramlett. They have been working on the student exchange, a S.C.A.L. talent show, and community service projects. They learn a lot of different techniques that they bring back to our student government. Our student government is made up of twenty four students, with six from each class and they elect the officers. This years officers are President — Chelle DeSnyder, Vice President — Cheri Paquette, Secretary — Stephanie Zweng, Treasurer — Alison Forest, and Parliamentarian — Lesley Frye. Their advisor is Mr. Scheel, and they get a lot of help from Mrs. Mollan.

OF TOMORROW

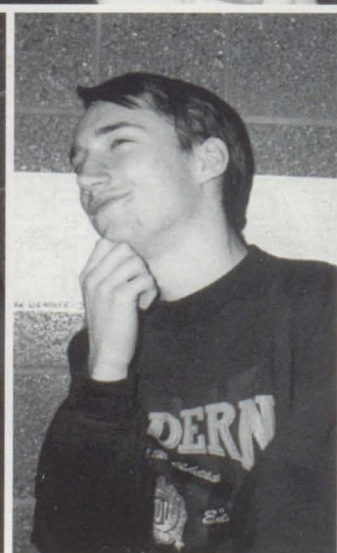

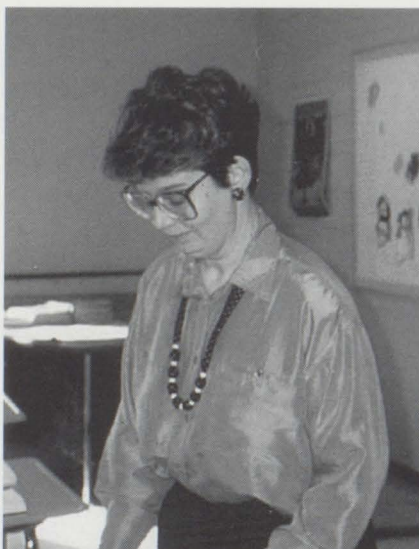

SHOOTING STARS

Forensics

Forensics is a speech and drama competition. There are many different areas for the students to compete in. These areas fall into two basic categories: Public Speaking and Interpretation. Those who are interested in Public Speaking can participate in sales, Informative, Oratory (Persuasive), Extemporaneous, Impromptu, or Broadcasting categories. In the Interpretation category the students can participate in Multiple Duo, Dramatic, Poetry, or Storytelling.

The Forensics team shows their speaking and dramatic ability as they travel to other schools to compete. Being in Forensics is not only challenging but rewarding and fun, too.

“KEYS, PLEASE!”

There are many students at Marine City High School that are against drinking and driving. The members of S.A.D.D. meet at lunch hour on an average of once a month. But more importantly, certain members of S.A.D.D. joined a peer resistance program. This selection of students goes to training for two weeks and when their training is over with, they go to elementary schools in the district to teach children how to say no to peer pressure.

The S.A.D.D. Chapter also participates in events such as white-out day in the spring and the Christmas parade where some students dress up in costumes such as a purple pig, an elephant, Mickey Mouse, Minnie Mouse etc.

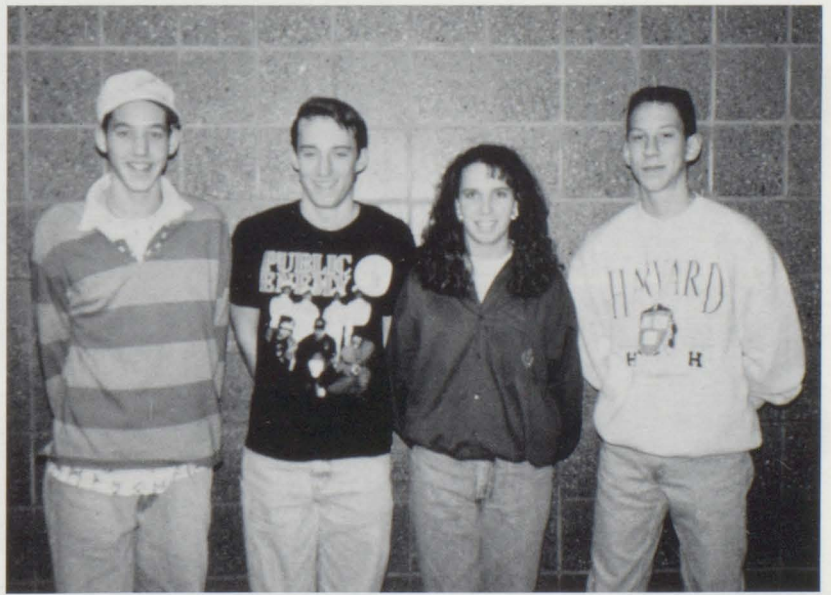

The S.A.D.D. group has been very effective in the past few years and hopefully it will remain that way for years to come.

A SKILLFUL BUNCH

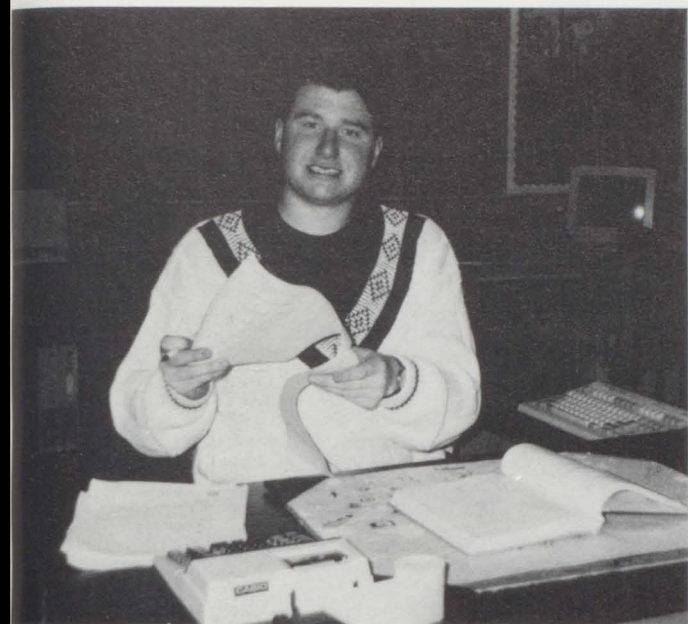

Tech Center

St. Clair county has offered Marine City a tech center. It's a very good thing to get into. It takes three hours out of your day at MCHS. You take a bus over to Marysville either for an A.M. class or a P.M. class. The Tech Center really helps kids out with what they would like to do or be in the future. There are several options you can choose from over there and you can take it after you graduate too, it's like having a real job in the real world. A lot of kids enjoy it, if you are interested look into it further, it could be fun.

GETTING DOWN TO BUSINESS

Business Professionals

This year, the Business Professionals of America strived to be the best they could be. They did everything! They held fundraisers, worked on new business techniques, and competed in three levels of competition, regional, state, and national. Being in B.P.A. takes a lot of skills such as typing, speech, and being enrolled in a business class. They compete in a wide range of business topics. Good job Business Professionals!

KEEPING IN TIME

Band

The Marine City Band has shown throughout the school year, as much dedication as any varsity sport. The band started their year early by going to a summer band camp to practice for football season. The band also participated in marching festivals, parades, and many concerts and fund raisers through the year.

Mariner Connection

Choir is a fun, rewarding class which takes a lot of dedication. The hours of practicing certainly paid off this year for Mariner Connection. With over sixty members the group welcomed a new director, Mr. Bert Van Dyke; he worked with the group in learning new songs, and helping them prepare for upcoming concerts. Good job Mariner Connection!

MARVELOUS MELODY

Touch of Class

It's a great experience to be a member of Touch of Class, which is the highest level of the MCHS choir program. This year, the group worked especially hard to put together a great Christmas concert, which was held on December 7th. They choreographed their songs themselves and their hard work and spirit certainly paid off. Along with Mariner Connection, they were greeted this year by a new director, Mr. Van Dyke. MCHS is very proud of its talented young individuals.

Front Row (L to R): Lori Bryant, Nicole McKay, Jenny Molesworth, Joe Dornoff, Matt York, Bill Czerwinski, Alison Forest, Rene' Bobruk, Holly Wrubel. Middle: Jayme Achatz, Kelly Tucker, Dayle Achatz, Dan Micoff, John Orchard, Brian Allam, Jamie D. Smith, Nichole Desrosiers, Alecia Owen, Christina Blair. Back Row: Michelle Salisbury, Heidi Weglarz, Stephanie Zweng, Norman Thibodeau, Scott Atherton, Phil Browne, Denise Konik, Rhonda Pettinger, Heidi Esders.

WHAT A TEAM

YEARBOOK CLASS

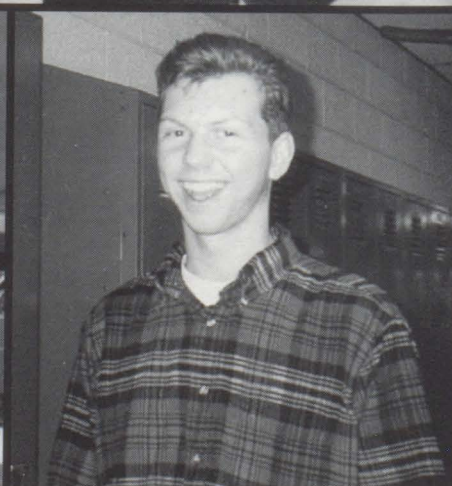

This year's yearbook class went all out to produce a book that went to the outer limits. The class, composed of twelve seniors and four juniors put their creativity to use in each and every lay-out that was made.

With Mr. Bladow supervising the group, there was nothing that could stop them from creating the perfect book.

That was the one goal to reach, so hopefully the students liked it as much as we did putting it together.

The 1992-1993 yearbook staff members are: Dayle Achatz, Danelle Buckley, Erin Carrier, Jill Cven-gros, Michelle DeSnyder, Jeff Gutt, Melissa Holinoty, Elaine Jamieson, Christina Jansons, Lisa Kilpatrick, Laurie Langtry, Tracey Ladensack, Steve Marvicsin, Cheryl Ouellette, Courtney Senger, and Stephanie Zweng.

Middle left: Lisa Kilpatrick flashes a smile.
Middle right: Jill and Laurie look over ads.
Bottom left: Erin tries again to type, but fails.
Bottom right: Steve Marvicsin stops for a quick pose.

JUNIORS

W

What is a Junior? A junior is someone who isn't quite as high as a senior but definitely not as low as a sophomore or freshman. This is a turning point in our lives when we begin to make some of the most important decisions in our lives. What college do you plan to attend? What career do I want to pursue? Where can I get a job at? All this in some way will affect our lives. Most of all it will affect our future. Being a junior is not all serious and brain straining. Being a junior means only one year left of high school, Prom, Homecoming, King's and Queen's, Prince's and Princess', football games, basketball games, Most of all it's a time for you to be with your friends. Your friends are very important in this time in your life. They not only give you a shoulder to cry on, or someone to laugh with but people to build memories with. Going to parties, on dates, maybe even copying their homework. All these, even the littiest things, is what being a junior is all about. This is just a year in your life. This is the best time in your life.

ROCK-A-THON

This year the junior class held their annual Rock-A-Thon. They raised over a thousand dollars and had lots of fun. The juniors had to rock for about 12 hours with only 5 minutes for a break every hour. Pretty tough but the juniors did a great job. Mrs. Biebuyk was the advisor over the event. A generous Thank-You goes to her for her help. All of the juniors will agree that the Rock-A-Thon was a lot of fun and worth while. Great job juniors.

From year to year we seem to grow bigger in numbers and for all these new students of course we need more faculty. Every year we get to see new teachers and some of us get the advantage to see how these new educators teach their students. Each individual teacher has their own way of teaching. Some by notes others by lectures. All have their own unique style.

The teachers of Marine City High have shown us good leadership. It is their responsibility to keep these crazy students in line, broaden their knowledge, teach them respect, and of course give them a good education. Education is said to be the key to the future and these teachers are trying to make it a reality.

The Custodians at Marine City High School work very hard to make sure that the students have a clean school to attend. They take on many duties over a period of a day. It may appear to you that they are nothing more than just another face you see from time to time. But they are who keep our school running. On snowy cold mornings they are the ones who plow our parking lot so that we don't have to stomp thru snow. We owe them more credit than what's given to them.

Cross Country

Marine City Cross Country Teams did well this season considering the tough SCAL competition. The boys team finished 5-8 overall while going 1-6 in SCAL. The girls team went 11-2 overall while finishing 6-1 in SCAL and making it to finals. Boys captain Mike Farver who was aware of the good athletes in most of the meets always said "It is possible to win if we beat their top five." Mr. Maxwell, the team coach, thought both teams did very well this year. "They go in giving it their all, and in my book always come out winners."

Golf

Wrestling

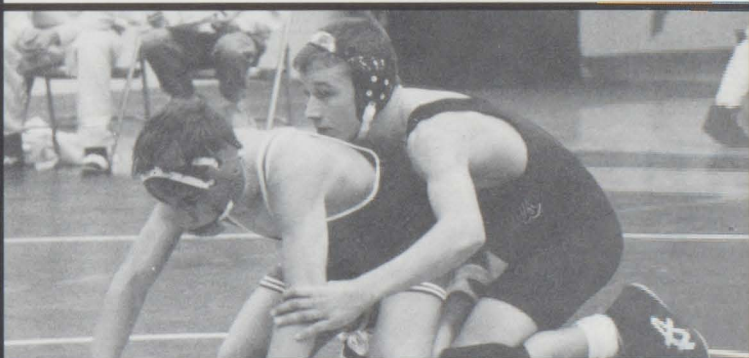

This year's wrestling team had a fantastic turnout of over forty members. This made it possible to put forth a full line up, which has not been the case in the past few years. The numbers also helped out when individuals were injured or could not make weight, usually someone was there to fill in. The team had a rebuilding year with only Mike Babel having four years of wrestling experience and a line-up that included only four other seniors. The team record was 4 wins, 11 losses, and 2 ties. Captain Mike Babel won this year's M.V.P. Award.

GREAT MEMORIES

Yearbook Seniors

As designer of the last three yearbook covers, I can honestly say that being on the yearbook staff has been one of the greatest experiences. You've got to capture the good times while they're around so it's important to put your all in each and every page you create. Yearbook has taught me, from my experience, about responsibility and working with others. Along with the great learning experience, I'll also take with me the friendships I made these past three years. Hopefully we've captured some good memories and they'll last a lifetime. ERIN CARRIER

Being on the yearbook staff is one of the things I'll miss most about high school, and it's been a great experience working with the rest of the staff. Being co-business manager also meant that I had an extra load of responsibilities. It gives me a real sense of accomplishment to say that these past two years on the yearbook staff have proved, at least to me, that hard work and dedication results in a great yearbook, and that is something I am very proud of. JILL CVENGROS

As editor my senior year, I'd like to say that yearbook class is one of the best memories that I'll have when I look back on my high school days. I've been involved in the class since my sophomore year and can say that I wouldn't give the experience up for anything. I've had the best time working with the yearbook staff and putting leadership to use in every aspect of the book. My one and only goal was to make a better book than last year and I hope you enjoy it as much as the staff did putting it together. DAYLE ACHATZ

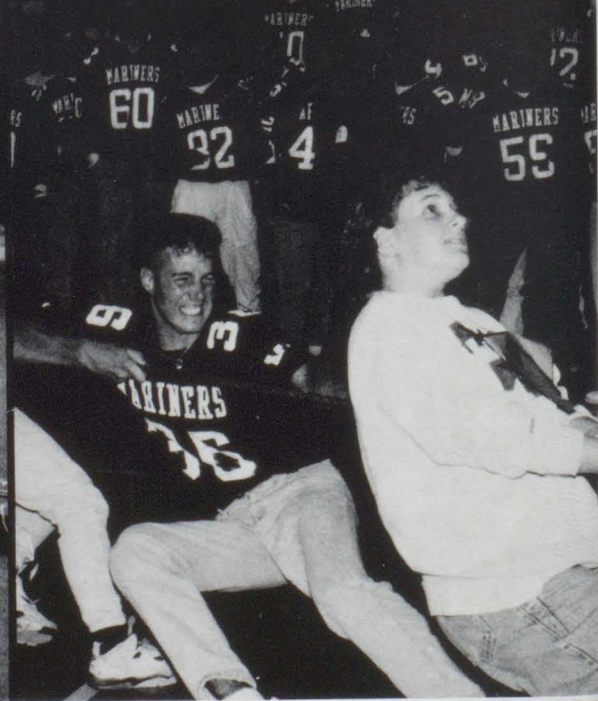

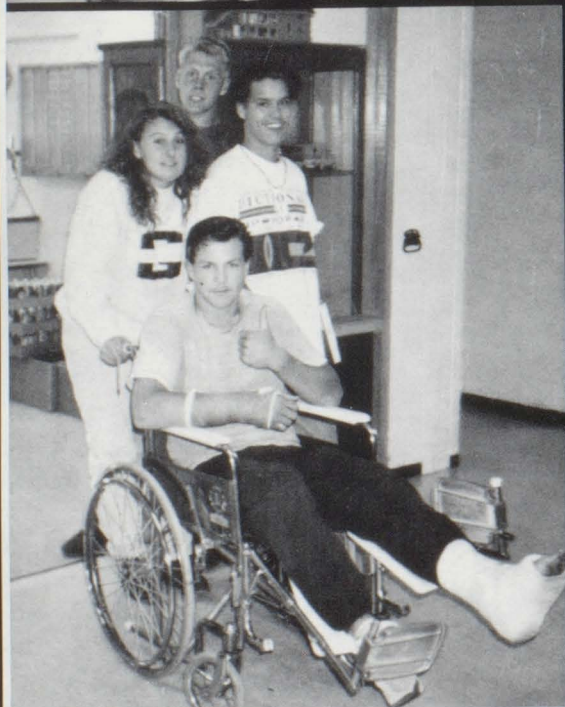

I've been on yearbook for the last 2 years and have had fun working with the staff. It takes a lot of hard work and time to make a blank piece of paper into a lay-out that people will be satisfied with. I've learned that you've got to have a lot of patience when trying to make something up from scratch. Despite that deadlines, I had the greatest time being a part of this class. It will definitely be one of the best memories that I'll look back on when I think of my high-school days. CHERYL OUELLETTE

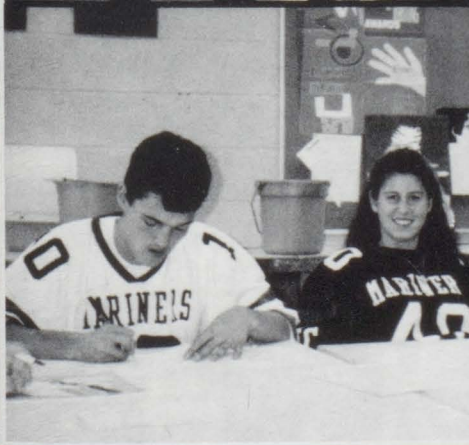

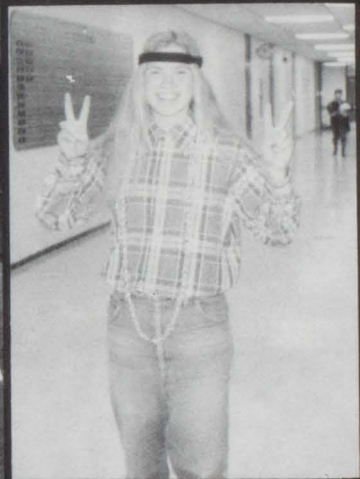

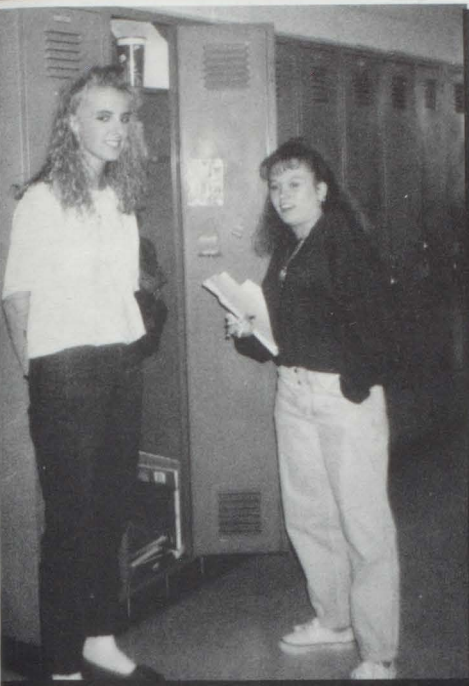

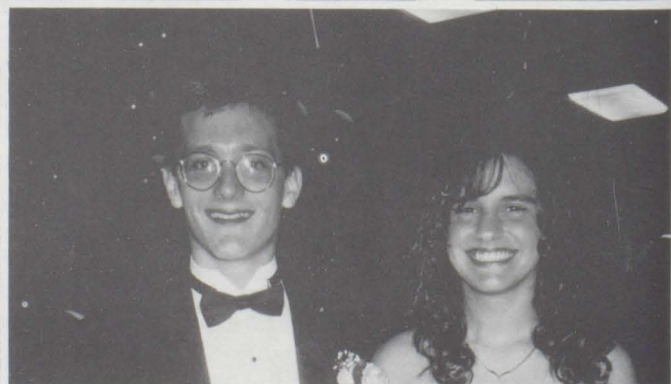

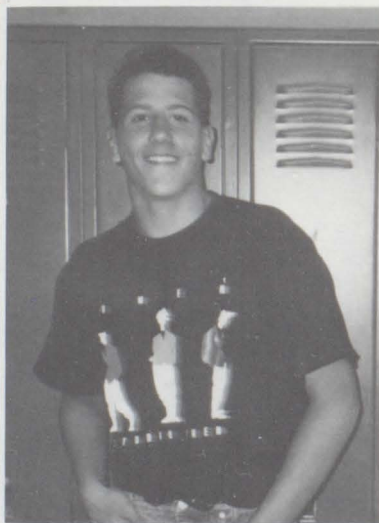

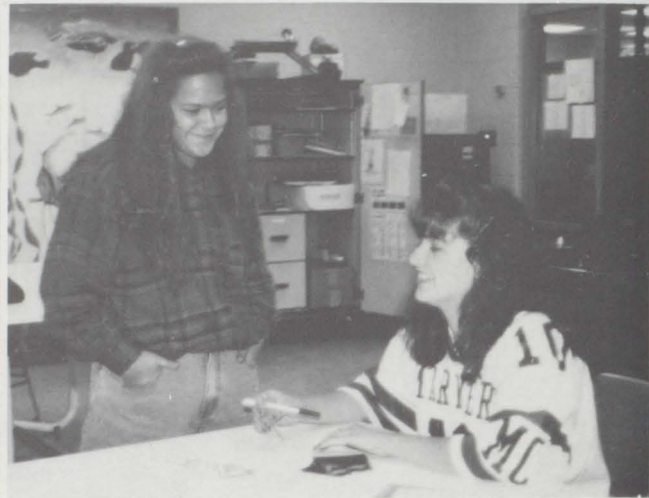

Being in yearbook has taught me a lot of skills that will be useful later in life. I came into yearbook not knowing what to expect. Leaving, I not only see the finished yearbook, but I realize all the hard work it takes to produce it. As co-business manager, it is definitely a rewarding experience and I wouldn't trade it for anything. LAURIE LANGTRY

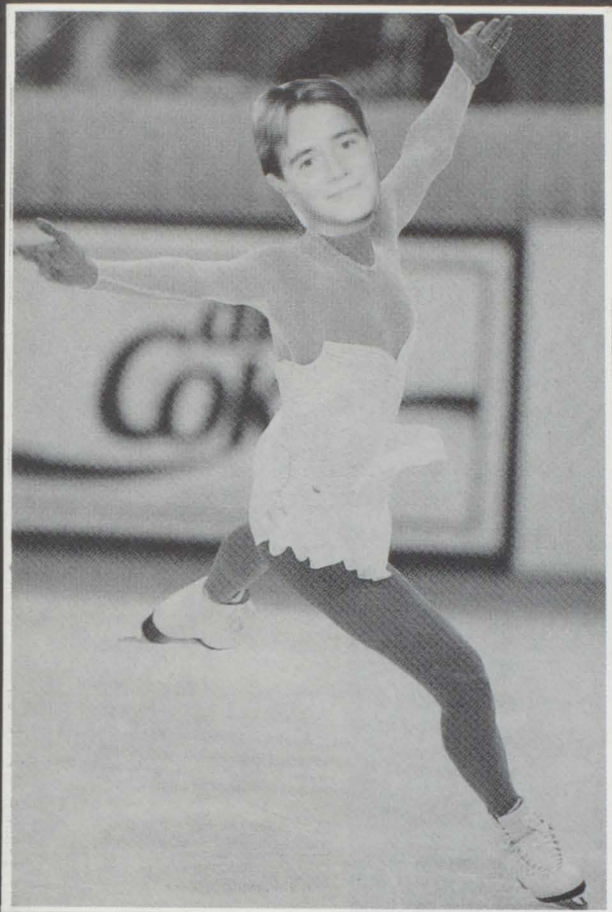

Being in a yearbook class for the last two years has taught me a lot. It has shown me how to be independent. I have had to come up with my own ideas and my own creations with each new page I complete. It has also taught me a lot about teamwork. In this class students must work together to make a blank page come to life. All in all, yearbook has been a worthwhile experience and I'm glad to have been a part of it. DANETTE WUESTENBERG

MIKE GARDNER —

You were six months old and full of fun,
 With a blink of my eye, you were suddenly one.
 There were so many things we were going to do,
 But I turned my head and you turned two.
 At two you were very dependant on me,
 Independence took over when you turned three.
 Your third birthday, another year I tried to ignore,
 But when I lit the candles, there weren't three but four.
 Four was the year that you really strived,
 Why look at you now, you're already five.
 Now you're ready for books and rules,
 This is the year you go to school.
 The big day came, you were anxious to go,
 We walked to the bus, going oh, so slow.
 As you climbed aboard and waved goodbye,
 I felt a lump in my throat and tears in my eyes.
 Time goes so fast, it's hard to believe
 That yesterday you were home here with me.
 And tomorrow when the bus brings you home and you
 Jump to the ground,
 You'll be wearing your cap and graduation gown.
 I'm holding these moments as hard as I can,
 Because the next time I look I'll be seeing a man.

CONGRATULATIONS!
 Love, Mom and Dad

CHRISTINA BLAIR —

Chris, we are so proud of you. We hope you
 will continue to be as caring and sensitive to
 others as you strive for your goals. We love
 you very much.

Mom and Dad

TRACY DIETLIN —

Tracy, we have enjoyed watching you grow into
 the special person that you are. You have tried so
 hard to be the best that you can be, and have
 succeeded beyond our wildest dreams. We're so
 proud of you and we love you. Best of luck and
 happiness in the future.

Love you always,
 Dad, Mom, & Jeff

CHRISTINA JANSONS

and obtain the best life has to offer you.

you on your journey, and we know you'll succeed in
everything you want to do.

Love,

Mom & Dad and family

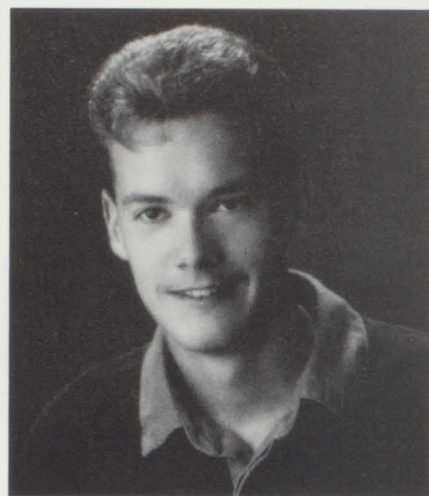

To Stephen Bernard Hunt:

Such a title was given to an adorable new son on Feb. 10, 1975 in hopes that someday he would grow to fill it. With all our hopes and aspirations for a brand new person. We wished everything for you. We would like to take this public opportunity to thank you for all that you are as well as all the things you wish to be. We congratulate you and applaud you for many years well done. Stay who you are, be honest and true, always move forward.

Love, Mom, Dad, & Grandma
"92" SONOMA

GLENN HORNER —

At times it was hard to know the thoughts inside your head.

At times there were things we really should have said!
But in our hearts there has always been a special place for you.

Love, Mom and Dad

CHERI PAQUETTE —

Congratulations Cheri! You are and always will be our little girl. Set your goals high and follow your dreams. May you always have the happiness and success that you deserve.

All our love,
Mom and Dad

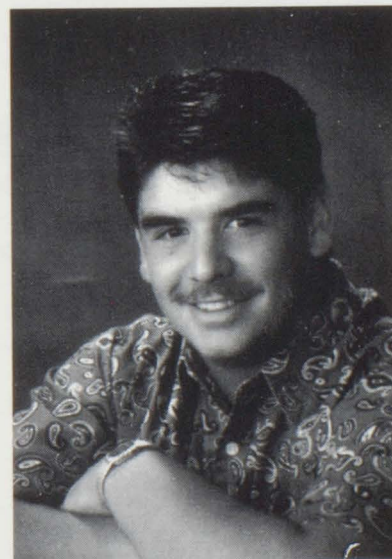

JEREMY STEPHENSON —

Congratulations Jeremy:

You have always been a joy to be around, even when we weren't sure what the sparkle in your eyes meant; adventures or mischief. We wouldn't change any of our memories we have with you.

You have always accepted the challenges that came your way with determination. Your future plans can be the greatest adventure and challenge, but we know you will meet this as you have so many others. So Aim High. We are very proud of you.

We Love You,
Mom, Dad, & George

STEPHANIE ZWENG —
 May your memories today
 be warm ones,
 May your dreams today
 be dear,
 May your moments all
 be happy,
 May your joy last
 through the years.
 Congratulations!
 Take care and God Bless
 Love,
 Mom, Dad, and Michelle

ERIC BABEL —
 Life is short, the years
 rush past
 A little boy grows up so
 fast.
 No longer are you at my
 side,
 your precious secrets to
 confide.
 The picture books are
 put away,
 there are no children's
 games to play,
 No goodnight kiss,
 No prayers to hear,
 That all belongs to yes-

teryear.
 You'd ask me, please, to share your fun
 I'd say, "A little later son!"
 I wish I might go back and do,
 The little things you asked me to.

We love you Eric,
 Love, Mom, Dad, Heidi, and Naomi

DAYLE ACHATZ —
 To our dearest Dukie Anne,
 How can we put into words how much you
 mean to us.
 You are everything and more than we could
 have ever hoped for in a daughter.
 You give yourself without asking for any-
 thing in return.
 You understand without passing judge-
 ment.
 And you love with your whole being,
 When you start your journey into life, re-
 member we will always be here for you as you
 have always been here for us.
 We love you with all our heart (DUKE),
 Mom, Dad, and Girls

LESLEY FRYE —

Lesley,

Congratulations on your graduation. You deserve the best of everything!! We love you!

Mom, Dad, and Jason

CHRIS PHELAN —

Chris — Here's to a future as big and warm as your heart.

All of our love,
Mom, Dad, Jon, and Matt

STEVE MARVICSIN —

Congratulations. We are very proud of you. Good luck and success in your future.

more proud!

Much Love,
Your Family

CHRIS SIMONS —
Chris,

May you follow all your dreams knowing
we are behind you 100%.

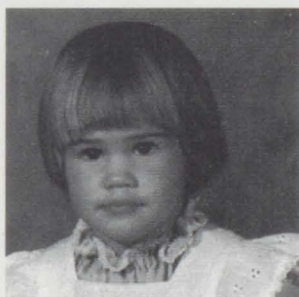

We are proud of you.

Love, Mom, Dad, and Jessica

DARRICK EDGERTON —

Darrick, Congratulations on your graduation day.
May courage, wisdom, and decency guide you to
success. We are proud of you.

Love, Mom, Dad, and Frank

MICHELLE PARMENTIER —

We've watched you grow from a
mischievous imp to a beautiful young
lady. Dad's hair has left and mine's
gone grey during the process. But, your
successes have made us proud beyond
measure. The real beauty in you, is that
you are an original. We know that
you'll continue to have the courage to
keep being the individual that you are,
and the conviction to believe in
yourself, and satisfy the face in the
mirror.

Love, Mom, Dad, and Keri —

"Doo Doo Brown"

CHELLE

Where has time gone? I'm so glad we've been so much a part of each others lives. Sports, Student government, Homecoming, we're proud of you and all your accomplishment. The hardest part of being a parent is letting go — seeing you grow up, and wondering what your future holds.

You've always gone after what you wanted and let nothing stand in your way.

Set your goals high and follow your dreams and we'll always be here for you.

Love,
Mom, Dad and Donnie

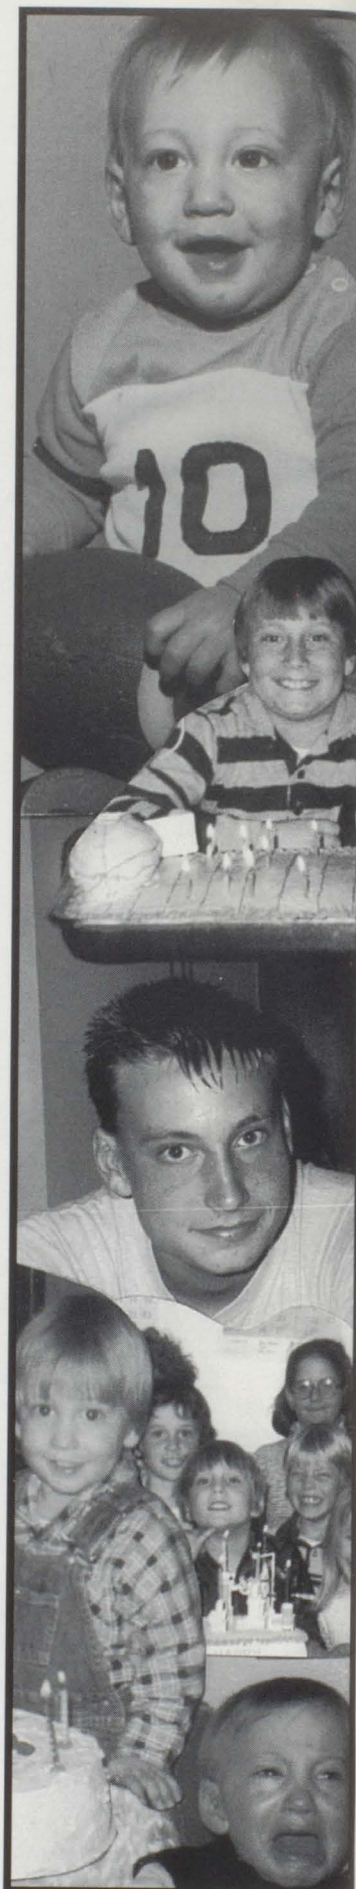

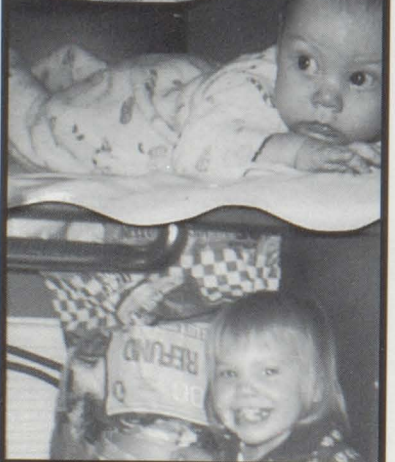

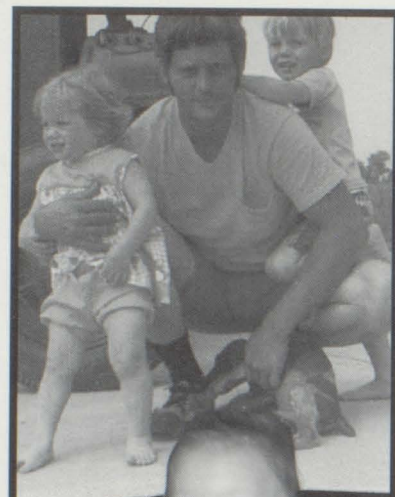

COREY

Wishing you the best with your future! We know you will reach all the goals you have set.

We're proud of what you've done, and prouder still that you're our son!

Thanks for all the joy you've given us.

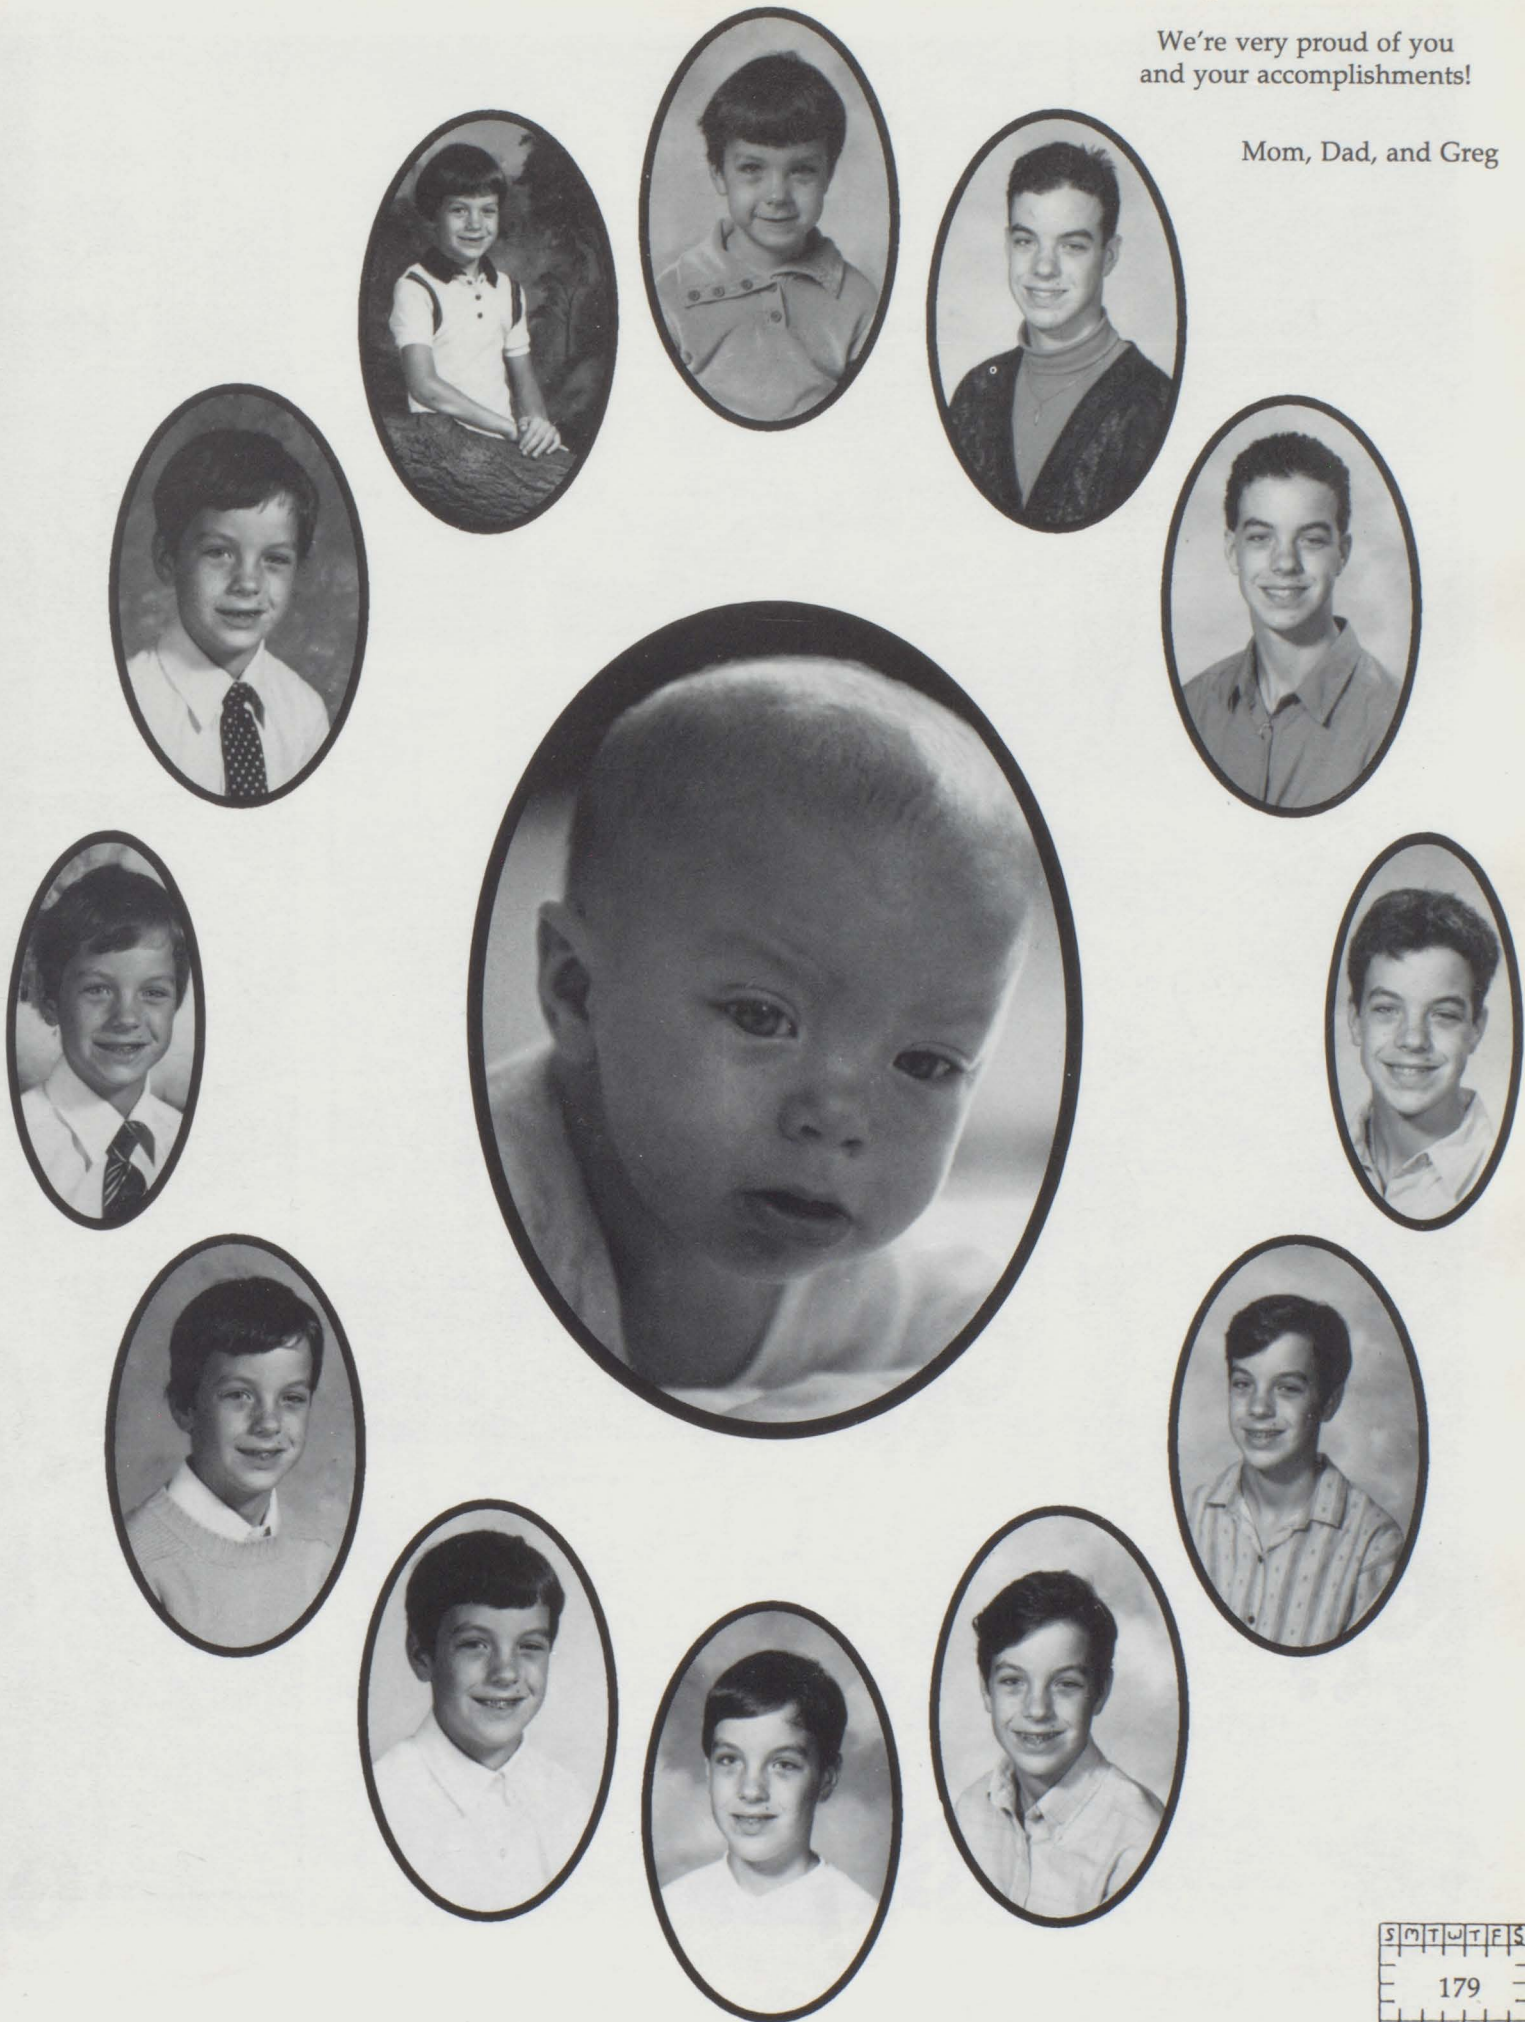

Love,
Mom, Dad, Dustin, and Spookie

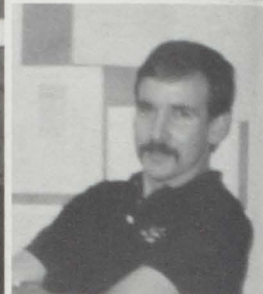

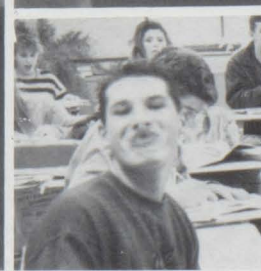

Congratulations Michael!

We're very proud of you
and your accomplishments!

Mom, Dad, and Greg

With all our years behind us
The time has finally come
To divide among ourselves
And go our separate ways
The days may be long
Until again we are together
But the memories we've shared
Will hold us close
Time and space mean nothing
Because our hearts will remember our past

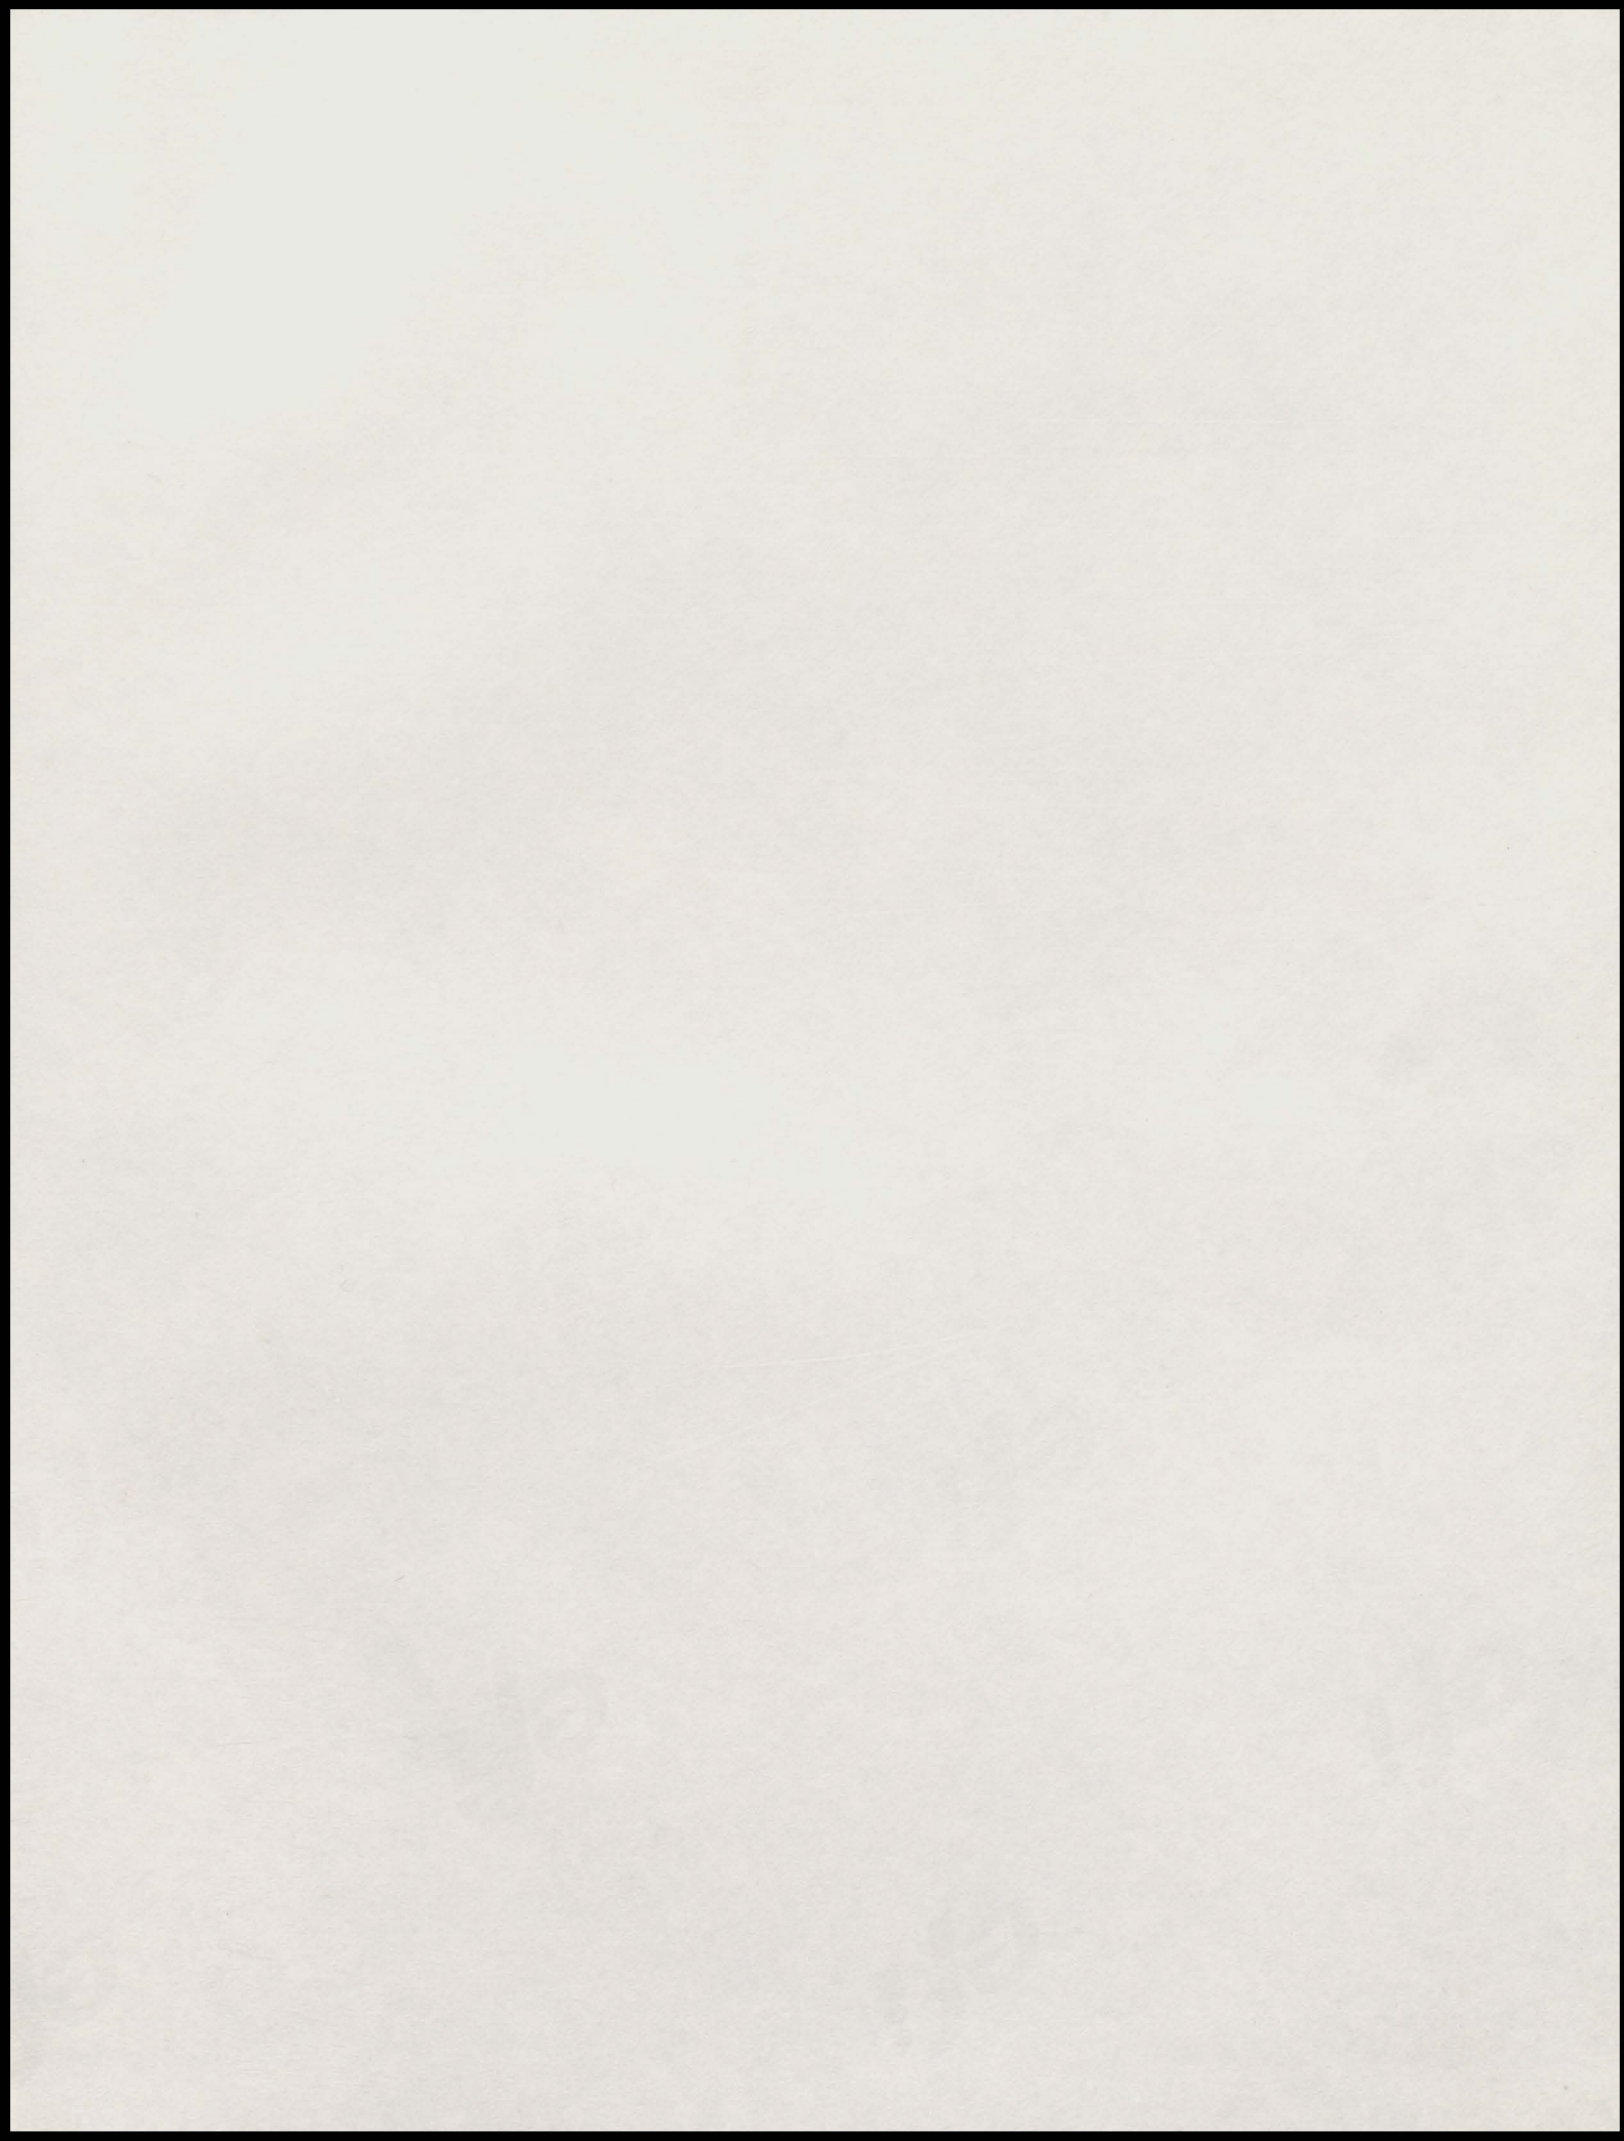

Now, looking only forward
The future seems so sweet
One phase of life is over
But so many opportunities lay ahead

So as we stand here
One last time together
Look around —
Appreciate the friends and laughter of today
Then close your eyes
And dream the future.
